ABOUT COMPANY

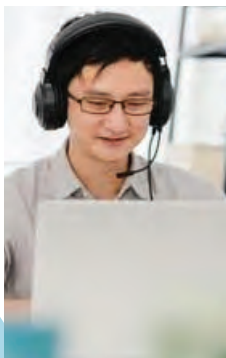

As the name says, we are the "Partners". A group of pioneer individuals from different industries who were handling a large number of workforce successfully in their organization for years. Each individual was very much aware of the pain of handling, managing, and recruiting manpower in their industries. Hence they decided to join hands to solve the pain which they were having as an individual organization and this alliance gave birth to "Manpower Partners".

Being a highly experienced team, we have made our domain expertise in The Overseas Human Resources Industry along with Domestic Workforce Solutions. We have been serving many organizations with direct as well as indirect workforce solutions. We have opened offices, training centers, and testing centers in different parts of the country which enhances its ability to onboard candidates from various parts of the Indian Subcontinent. Having a vastly experienced team of collectively more than 150 years of experience we have set an iconic work culture and delivery system among the team and the clients. Each of us is having a dominating profile in different sectors and is continuously scaling their capacity utilisations and efficiencies to capture opportunities for "Building A World full of Work", where no one would be jobless and none of the organization will suffer from manpower and workforce.

The group companies complying with the diverse needs of our overseas clients by offering the complete staffing solution for the Steel Industry, Engineers and Labours for Mines, Civil Construction and Infrastructure, HVAC / MEP, Oil & Gas, Energy Resources & Utilities, Health & Life Science Services, Information Technology Services, Infrastructure, Hospitality & Service Industry, and Trading.

With the aim to collaborate the local employees with the global employers, the group companies are giving these services imparted by our dedicated and enthusiastic team of professionals as per the exact preferences and necessities of the patrons within the predefined time span.

Mission

The entire team of Manpower Partners is focused to embrace and uphold the highest standard of Human Resource solutions. Where we will lead the world undeniably in cultivating and delivering a talented workforce with the help of our tech-driven and innovative applications. That enables our clients to win in the changing world of work.

Vision

Truth is always stranger than fiction and better. Being a visionary organization with a great mission of making an influential society it's our responsibility to work with integrity, trust, and respect among the team, candidates, and clients. And we are doing the same.

Values

Our business is all about people's livelihood, their future, and their association that's why making an influential society is paramount to us. Being a responsible organization we are committed to uplifting society by providing the opportunity to all with our every step of work.

We love what we do and we do it with passion!

We are always willing to enter into a new strategic alliance or partnership with the growing organizations, to recruit suitable personnel, regardless of the employment duration that may be targeted. We maintain our infrastructure and manpower database to work around your preferred form of contract or employment duration and offer the highest standards of talent and skills; for temporary or project-based staffing, temp-to-hire (probationary staffing) as well as permanent employees. Our innovative, cost-effective, reliable, and streamlined methodology of recruitment helps to provide apt manpower according to the Client's requirement at the stipulated time.

- ④ We guarantee an enhanced competitive edge to our clients through our unequalled technical manpower solutions.
- ④ We ensure sustainability in your business because we are the champions in making recruitment seamless, cost-effective, and hassle-free.
- ④ We strive to surpass industry standards with the provision of innovative recruitment solutions on a national and global level.
- ④ We passionately enhance value for our stakeholders following ethical business practices.
- ④ We are not only a Manpower or Workforce agency; we act like The Brand Creators for our clients.

WHY US

A MANPOWER PARTNERS MEMBER

The Manpower Partners belong to a diverse background with years of experience in their domain. Each member is the pioneer in Human Resource Management backed by a highly educated and experienced team of professionals.
